Announce

Bessette et Associés joins Caprea

We are pleased to announce that the Bessette & Associés valuation office will join the Caprea team as of May 1, 2019.

Bessette et Associés' facilities and team will remain to serve its customers with the same professionalism.

« We are very pleased to add to our team experienced professionals who are perfectly knowledgeable about the Montreal South Shore market. The integration of Bessette et Associés will strengthen Caprea's position in commercial evaluation in this area. »

Nicolas St-Cyr, C.App, Partner, Business Development Director, Caprea

« The Bessette et Associés team is proud to join Caprea. This integration will increase the range of services offered to our clients and bring together a team of dynamic experts who are at the forefront of real estate market trends.»

Marc-Antoine Bessette C.App, Partner, Bessette et Associés

About

Bessette et Associés

History and experience

Bessette et Associés is a company with 15 years of experience in property valuation, whose team covers the great south shore of Montreal.

Services

Bessette et Associés offers real estate appraisal and advisory services, focused on commercial and industrial properties, vacant or redeveloped land, and residential properties.

Composed of Chartered Appraisers members of the Order of Chartered Appraisers of Quebec, and appraisal technicians, the team also carries out appraisal mandates for insurance purposes as well as analyzes of construction costs.
